Swelling Under the Eyes, Grayish White or Waxy Color of the Skin Denotes Nephritis or Inflammation of the Kidneys.

A slight degree of kidney trouble affects the mind and body, nephritis, inflammation of the kidneys, causes mental diseases in two ways: Through changes in the walls of the blood vessels and through poisonous changes in the blood. Creatin, urea, uric acid, and potassium salts, commonly produced in kidney diseases, irritate the lining of the animal brain.

San-Yak is the remedy that does actual wonderful daily good. It prevents the self-poisoning from which so many people suffer, thereby keeping the arteries soft and flexible at age past fifty. No better proof could be had than from the following letters:

Mrs. Jennie Tickle, Celina, Ohio, (grandmother of Perry Baker, county treasurer.) She is 80 years old and was subject to a great deal of kidney trouble, high blood pressure, stiff and clumsy in the muscles, but after taking San-Yak is again in normal health, being able to do her own housework and washing. She says she can walk a mile with most of the young folks.

J. R. White, ex-chief of police of Marion, Ind., and recently proprietor of the Hotel DeSoto, states as follows:

"SAN-YAK, yes I know that medicine. I used four bottles when I was in Benton Harbor, Mich. I was subject to short breath, heart, kidney, bladder and liver troubles; had blood, I am pleased to have an opportunity to recommend San-Yak to my friends. It is a wonderful medicine and its claims are true. Yours with pleasure, J. R. WHITE."

P. A. Kellogg, 289 Second St., Benton Harbor, Mich., says: "San-Yak cured me of paralysis of five years standing. I had bad action of the kidneys, bladder and liver for many years. The hardening of the arteries has disappeared. People of advanced years should use San-Yak for health's sake and a longer life of activity and usefulness."

Dr. J. J. Weir, the eminent children's specialist, Millbury, Mich., says: "This is to certify that I recommend San-Yak for a bad case of stomach trouble and I am glad to say that it helped really beyond my expectation. I can cheerfully recommend it to anyone afflicted. One teaspoonful in glass of water half-hour before breakfast works all activities and tension for the stomach, bowels and kidneys. I have tried all kinds."

"For ten years I have been troubled with my heart. Upon being examined the doctors told me it was high blood pressure. They tried to treat me but did not succeed. I was told to try San-Yak on a guarantee, which I did, and am now very thankful. I have taken several bottles and am not now troubled any bit with my heart. My blood pressure is now down to normal. It is also a very good tonic for I now feel the best I have felt for several years."—T. J. Parr, R. F. D. 3, Benton Harbor, Mich.

"I have been troubled with my kidneys and bladder and had rheumatism in my knees so that I could hardly stand. I spent a lot of money on a lot of useless remedies and with doctors for the past two or three years. Finally tried San-Yak. I have taken one bottle. Am not troubled with kidney or bladder and my rheumatism has left me entirely. I am feeling 100 per cent better and am now able to go to work. I will recommend San-Yak to anyone."—Albert Harkat, Selus, Mich.

Jacob Butts, Benton Harbor, Mich.: "I have used three bottles of San-Yak and it reduced my high blood pressure and I am not bothered any more. Persons of advanced years should keep it on hand for use."

"This is from a lady pretty well along in years: 'I have suffered from kidney and bladder trouble for years; have been relieved but have not been able to keep it off. I have tried all kinds of remedies and finally tried San-Yak. Am only starting on my second bottle and I will say that it is the best that I have ever taken. I feel almost like new. When anyone is feeling sick at our home I insist that they take San-Yak.'—Mrs. James Mohler, Riverdale, Mich.

"I have taken medicine off and on for the past 15 years for kidney and bladder troubles. I tried San-Yak a short time ago and I will say that it is the only medicine that has proved entirely satisfactory to me. I have tried many different kinds. I am now entirely relieved of my trouble. Thanking you."—J. B. Slater, Benton Harbor.
